

**Pre-Engineered
8000 Series Shelving
Sections with Galvanized
Shelves**

- Galvanized shelves deliver exceptional value and long life in harsh environments
- Ideal in areas subject to high humidity, or salt air in unheated warehouses
- Storing solvents, cleaning agents, oily or greasy parts and many other uses
- Sections are 36" wide x 84" high, with a choice of three depths
- Shelves are adjustable on 1½" centers

Note: Only shelves are galvanized.
